has successfully completed the online Professional Certificate

IBM Management Consultant

Earners of this certificate demonstrate readiness to lead transformation by combining AI tools, ethical frameworks, and strategic planning. Learners are equipped to implement data-driven workflows, sustainable initiatives, and AI-enhanced leadership practices.

Antonio Cangiano

Antonio Cangiano
Director, IBM Skills
Network

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
